

## FOD Meeting Minutes June 1, 2021

Previous meeting minutes approved as written.

Treasurers report submitted in writing and reviewed.

Safety Officer reminded us all to adhere to the 400 ft AGL limit. In addition, the ball fields and BMX track will be more active. Members added that walkers on bike trails often cut across our field. Be on the lookout for them. In addition recall our agreement to not do "questionable" or first flights on days a lot of folks are around the adjoining facilities. Minimize the risk.

Instructors – no recent activity.

Visitor – Randy introduced himself and joined the club!

### Old Business:

- Field Maintenance – Pit fence repair supplies being sourced
- Field Day for repairing and clean up needs to be scheduled ( painting, trash cleanup weeds)
- Reminder – Mowing has started and mowers have priority when they get to the field. Usually on Thursday.
- Remember that we will need new folks for FOD President and Secretary at the next election
- FAA Safety Review meeting schedule has not changed.

### New Business:

- 2021 Calendar review
  - Scale Master still on Workers still needed
  - IMAC canceled
  - Pattern canceled
  - Fall float fly still on
- FAA TRUST test is available now to take. It is a guaranteed pass. Don't forget to print the results or else you will have to take it again.
- Remote ID was discussed at length. Bottom line, if you fly at FOD you will not need it.
- Next meeting at Pappy's July 6, 2021 7:00 PM

Meeting adjourned buy unanimous vote.
